

## **Drone photography competition 2020**

### **photography [competition](#) 2020**

Drone Awards is the most important worldwide competition about aerial photography and video. It's a project of Art Photo Travel Association, dedicated to a different photographic genre deliberately separated from being compared to traditional photography.

The competition is opened to the aerial photography and videos whose platforms also include fixed-wing aircraft, helicopters, unmanned aerial vehicles, balloons, blimps and dirigibles, rockets, kites, and parachutes.

#### **Theme(s):**

Aerial photography and videos

#### **Entry fee**

**Free/1 Image / \$20/3 Images**

**Fee under 20 y.o.**

**Free/1 Image / Free/3 Images**

#### **Who may enter ?**

Entries are open worldwide and photographs from any aerial platform are welcome.

#### **Requirements :**

Photos submitted by entrants at least be at least 5 MB in size.
